

# Requirements for World Cultures Web page!!

**Your project must be at least five pages or six pages with a group of three.** The topics for each page are:

## **Page 1: INTRODUCTION PAGE**

A Title Page which includes a title, a picture(s), a paragraph explaining why you chose to research this country, a short introduction of the country written in your own words, and links to the other four pages in your project.

## **Page 2: ALL ABOUT THE COUNTRY** in your own words.

Facts about the country and culture, for instance: language, population, religion, etc. Also including interesting details that others may not know about. You need to go in-depth on this page and in paragraph form.

***INCLUDE ON THIS PAGE LINKS TO AT LEAST 4 OTHER INFORMATIVE WEB SITES.***

## **Page 3: POINT OF VIEW STORY** in your own words to be used for podcast.

You will pretend you are in that country to tell a story of culture or current events. A list of questions will be provided to guide you through the page. Insert images of the culture or situation occurring in the country.

## **Page 4: YOU DECIDE** what to include on this page.

For example, if I was doing a project on Spain, I may include clothing, music, body language, or ways of doing business in that country. You should discuss this with Ms. McCaulley before you decide.

## **Page 5: BIBLIOGRAPHY**

Where you got your information and images from. You must have at least 6 resources. You will use an online resource to help you with citation.

## **Page 6: ONLY REQUIRED WITH GROUP OF THREE**

**Technical Requirements:** You must include the following to receive full credit for your project. To really do a great web page, you need to go above and beyond these requirements!!!

- \_\_\_\_\_ 1. Five pages
- \_\_\_\_\_ 2. Links from your title page to each of the other pages
- \_\_\_\_\_ 3. Links between all pages
- \_\_\_\_\_ 4. Anchors from the bottom of each page to the top of each page
- \_\_\_\_\_ 5. At least 10 images that work with your topic chosen
- \_\_\_\_\_ 6. On page 2, Links to 4 other sites that you feel are good informational sites about your country.

- \_\_\_\_\_ 7. At least one animation
- \_\_\_\_\_ 8. Background music created in Garageband on at least one page
- \_\_\_\_\_ 9. An embedded video or link to a video
- \_\_\_\_\_ 10. Link to a podcast.
- \_\_\_\_\_ 11. At least one table. A good place to use this would be in your links to other sites on page 2
- \_\_\_\_\_ 12. One link that is a picture or image
- \_\_\_\_\_ 13. Horizontal lines
- \_\_\_\_\_ 14. The topic of each page is clearly defined and explained so that the user knows exactly what the page is about. Include a title.
- \_\_\_\_\_ 15. Information is organized nicely and easy to read
- \_\_\_\_\_ 16. A bibliography on page five with the web sites and/or books that you used.  
YOU MUST INCLUDE AT LEAST 6 SITES THAT GAVE YOU INFORMATION.

## **Steps you should take to create your web pages:**

- \_\_\_\_\_ 1. **Research the country (3-4 days)**  
You must take notes and write all information in your own words...KEEP TRACK OF THE WEB SITES THAT YOU ARE PULLING INFORMATION FROM. Not all web sites are accurate, BE CAREFUL!! DO NOT JUST CUT AND PASTE TO A WORD PROCESSING DOCUMENT.
- \_\_\_\_\_ 2. **Search for images, audio clips, graphics, a movie, backgrounds, etc. that you will use in your project: (2-3 days)**  
Make sure all backgrounds and images coordinate so that the person viewing your web page will find it easy to read and easy on the eye. Check off the list for technical requirements to be certain that you have included everything.  
PUT THEM ALL IN YOUR FOLDER when you save anything.  
ALSO, KEEP TRACK OF THE SITES THAT YOU PULL ANYTHING FROM!!
- \_\_\_\_\_ 3. **Begin making your web pages!!! (10-12 days)**  
You should have all of the information you need and all of the images to make your pages shine!! Remember what is required on each page!!!
