Girl Campers Hear of Indian Lore in County

Darwin Thede of Glidden provided the highlight of Gage Win Neighborhood Girl Scout Day Camp when he talked to the girls Wednesday about the Indians that lived in Carroll County at one time. Indian lore is the theme of camp, being held this week at Swan Lake for girls from Manning, Glidden and Carroll.
Mr. Thede displayed arrow heads and several tools used by the Indians, which he plans to exhibit with other artifacts in a museum which he is building on his farm near Glidden. He expects to have the project completed by next spring.
He told about having traveled down the river as far as Adel three times and finding Indian relics. A question and answer period followed.
Mrs. Donald Jones continued her Indian talks, telling about the dispossession of Indians in Iowa. The remainder of the morning was spent cooking their noon meal and working on their costumes and crafts for the Pow Wow Friday morning. The public is invited to attend the Pow Wow at 10 a.m. Mrs. Vince Langenfeld was camp nurse Wednesday.
Thirty girls spent an overnight at camp, their counselors being Mrs. Joe Heisterkamp, co-director of Day Camp, and Mrs. Keith Poor, Jane Mobley and Frances Riesberg.

● Tigers—
(Continued from Page 2)
Breda took a pair from Perry by identical 2-1 scores.
In the game at Manning, Carroll's defense thwarted the Bulldogs through the first three frames. Dan Pratt was safe on an error in the first but got picked off base.
In the second frame, Steve Rutz walked and was picked off. Tom Schroeder singled and Nate Dappen singled. Schroeder was thrown out trying to steal third and Grau fanned to end that threat.
In the third inning, Dennis Ohde led off for Manning with a single and was thrown out trying to steal second. After Kelly Pratt fanned, Dan Pratt drew a pass and Grimm doubled. Nick Dappen fanned to end that potential outburst.
The Tigers stranded a pair of base runners in the third. With one away, Tom Dryden and Scott Richardson put together back-to-back singles. Mark Baudler and Tom Subbert each grounded to short and the rally was foiled.
Carroll got on the board in the fourth when Sundermann led off with a walk and scored on a double by Wilkins. Doug Ohde sacrificed and Wilkins rode home on Phil DenAdel's triple. After John Jensen tapped to the mound, Dryden singled to plate Den Adel. Dryden then was thrown out trying to steal second to end the frame.
Manning's first run came in the bottom of the fourth when Rutz walked and moved to third when Schroeder lived on an error. A wild pitch let Rutz come home with a run.
Schroeder relieved Dan Pratt on the mound for Manning in the fifth and blanked the Tigers on a lone hit by Wilkins in the sixth.
The Tigers will return home to face Jefferson in the Carroll Stadium on Friday night and Manning will trek to Audubon the same night.
In the twin bill at Breda, Mel Wernimont paced the Bobcats with four for four. Leonard Snyder doubled to score Ron Neumayer in the first frame of the first game and the winning run counted in the fifth as Doug Polking scored when Snyder was safe on an error. Pennington homered for Perry in the fourth.
In the second game, singles by Snyder and Wernimont and an overthrow let Snyder score. Wernimont drove in Neumayer with the winning run in the fifth. Perry had counted in the second when Hill tripled and scored on an infield out.

er state officials using the governor's plane, Juhl is paid an additional \$38.41 a day when he flies.
His injuries did not affect his license from the Federal Aviation Authority.
"If he is retired from the National Guard this fall because of his knee injuries," Miller said, "he probably will be given a disability pension, and will get that in addition to his civilian pilot's pay. But he no longer will draw pay as a National Guard officer."
Juhl has been a member of the National Guard since 1947 when he was released from active service.
In 1960, Juhl was pilot of a National Guard helicopter which crash landed on an ice floe in the Des Moines River near Lehigh.
Gov. Hughes is in Europe, but members of his staff said he regards Juhl as a fine pilot. However, an aide said he did not know Juhl was no longer qualified to fly military planes.

The only medal he is keeping, he said, is the Croix de Lorraine which Gen. Charles de Gaulle handed to him personally after World War II.

CIRAS Head At Kiwanis Club Here

The value of the industrial products produced in Iowa in 1964 was \$8 billion, Waldo Wegner, director of the Industrial Research and Service Center (CIRAS) in Ames, told members of Kiwanis Club Wednesday night. By contrast, the total value of agricultural production was only \$2.6 billion.

CIRAS was established after Iowa State University and industrialists asked for funds for the project to be incorporated in the university's request to the state legislature in 1963. The first appropriation was for \$250,000 for a two-year program.

Mr. Wegner said that the specific purpose of CIRAS is to help industry directly with its problems. Full-time employees provide technical assistance and service to parties interested in the development of industry in the state. Qualified persons in engineering, science, business, economics, technical counseling and research are employed directly by the Center and are supplemented by the other part-time staff on a consulting basis.

"Counseling services are free," he explained, "although research or special projects are paid for by the interested industry." The Center was opened July 1, 1963. They now have a complete roster of consulting engineers and consulting firms in the state, the college professors in engineering, and are gathering facts on certified public accountants, patent attorneys, testing laboratories, advertising agencies and architects, and other professions. The present staff now is made up of nine men and two women, including four field men.

Ivan D. Curtiss, service foreman of the Bell Telephone Co., was inducted by Wayne Rathmann as a new member. He was sponsored by Frank Hoffmann.

Don Traner, president, announced that the Carroll club had received a ribbon for having reached a goal of one new member for every 50 members in the "5,000 plus club."

Bill Cover, Phil Dennis, John B. Lamphere, Dale Textor and Joe West reported attending a Glidden meeting June 14, when V. O. Draheim was guest speaker on educational legislation.

John Throckmorton reported attending, with Edward Marz, Merle Stevens and Alfred Meyers, the Nebraska-Iowa District golf tournament at Newton. The Carroll Kiwanis golf meet will be Monday, under Mr. Throckmorton's direction. Lloyd Kline, program chairman, introduced Mr. Wegner. The program for June 23 will be a film about Olympics in Japan and Austria and will be in charge of Mr. Hoffmann.

New York Stocks
NEW YORK (AP)—The stock market plugged ahead early this afternoon but the pace of trading was considerably slower than on the previous two days of sharp rallying.
The general pattern was irregularly higher, with gains running from fractions to about a point among key stocks.
The slightly higher trend was evident on balance from the

opening. After a period of hesitation, buying pressure distinctly overcame the tendency to sell.
Motors, which wobbled for most of the morning, posted a couple of thin gains. Steels moved ahead. The trend was generally higher among rubbers, aerospace issues, chemicals, electrical equipments, oils and office equipments.
Airlines and tobaccos worked a little lower.

Glowing statements by administration officials about prospects for the economy apparently overcame concern about stepped-up U.S. military commitments in South Viet Nam.
The Associated Press average of 60 stocks at noon was up .8 at 322.5 with industrials up 1.9, rails up .1 and utilities unchanged.
The Dow Jones industrial average at noon was up 5.59 at 883.65.

Amid the generally firm atmosphere, however, an unusual number of sizable blocks were unloaded, most of them at lower prices. Korvette sank 3/4 to 33 on 57,000 shares. Control Data lost 2 1/2 at 45 1/4 on blocks of 38,400 and 48,900 shares; Montgomery Ward was off 1/2 at 33 1/2 on 33,400 shares. Union Pacific fell 1/4 to 37 1/2 on 19,000 shares.

Chicago Livestock Market

CHICAGO (AP)—The butcher hog market was steady to 25 cents a hundredweight higher Thursday but the top price was 25 cents under Wednesday's sparingly paid \$26.
The \$25.75 top was paid rather freely in fairly active trading.
The best slaughter steers offered were a few choice grade which sold at \$26.50. The supply was too scant for a test of prices.

CHICAGO (AP)—(USDA)—Hogs 4,000; butchers mostly fully steady; 1-2 190-220 lb 25.25-25.50; 200 head at 25.75; mixed 1-3 190-250 lbs 24.75-25.25; 1-3 350-400 lbs 21.75 - 22.25; 400-450 lbs 21.25-21.75; 2-3 450-500 lbs 20.25-21.25; 500-600 lbs 19.50 - 20.35; board 16.00-17.00.
Cattle 600; calves none; few sales steers fully steady; couple lots choice 975-1,100 lb 26.50; few good and choice 25.00-25.50.
Sheep 100; small supply spring slaughter lambs fairly active and steady; shorn slaughter ewes weak to 50 lower; few lots choice and prime 80-100 lb spring slaughter lambs 27.00-27.50; few choice 26.00-27.00.
